

# Outdoor Play Days

**Jump Up**  
FOR KIDS

**We can't wait for you to visit Jump Up For Kids.**

We have such a great place with hills to climb and slide down, a mud pit, slip n slide, billy carts, trees to climb and more!

Now, because you are kids, you are the experts of play. That is your number one job for the day...play, play and more play.

We can't wait to see all the fun, amazing things you build and do while you are playing outside at Jump Up For Kids.

There will be lots of adults there to help if you need. Just look out for our bright orange hats...you can ask us anything!

So that you are safe while you are playing, we have four rules.

They are:

- Keep yourself safe (don't do things that don't feel safe)
- Keep other people safe (look behind you if you are carrying big, long things, help others when they need a hand, be kind and caring)
- Look after our beautiful play space (eg put rubbish in the bin, don't break trees or hurt animals)
- Make sure you can see someone in an orange hat ALL THE TIME.

If you follow these rules and let your imagination run wild, you will have a great time at Jump Up For Kids!!

The toilets are up the hill So don't wait until you are busting before you decide to go to the toilet. As soon as you think you need to go to the toilet, let a grown up know.

We dont have a lunch bell, so you can eat your lunch whenever you like, but just remember! you are here for a long time - so dont eat eveything at once!

Also, remeber to put your lunch box back into your bag so the birds dont eat it.

If you get tired or need to take a break you can rest in a hammock.

If the creek is at low tided, we will visit the creek!

## Children must wear:

- Sun-protective clothing that covers as much skin as possible
- Sunscreen and Insect repellent
- A hat that protects the face, head, neck and ears (ie no caps)
- Closed-toe shoes with socks (gumboots, joggers or crocs)

## You should bring a backpack filled with:

- Sunscreen (50+ water resistant) and Insect repellent
- A spare pair of clothes and a spare pair of shoes and socks
- A reusable wet bags for wet clothes
- Enough food in an insulated container with cold blocks and a large water bottle
- A towel
- On rainy days, your child may wish to bring a Raincoat and gumboots
- Aqua Shoes for visiting the creek
